Block #2 Part #1 - Piecing the “Stockyard Star” Quilt Blocks Together

“Stockyard Star”
 Quilt Block
 Make a total of FIVE (5)

HST - Figure #1

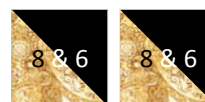

Blue line = Drawn line
 Red dashed line = Sew 1/4” on EACH
 SIDE of the drawn line

Place the Sandcastle 2 1/2” square on the Black 2 1/2” square (right sides together) and sew 1/4” on EACH SIDE of the line you drew (Figure #1). Then cut the half-square triangles apart ON the line you drew. You will end up with TWO (2) half-square triangles (Figure #2) for a total of TWENTY (20). Press toward the darkest fabric. Clip your corners (aka dog ears).

Quilt Note: When making HST’s, try cutting your squares 1/4” or 1/2” larger than the pattern calls for, then trim them down to the exact size needed for your quilt block. In the case of the “Stockyard Star” quilt block, the exact finished size should be 2” square.

Flying Geese Tutorial

You will see on my instructions to either cut some squares one time or two times. Both of them diagonally, corner-to-corner. When piecing Flying Geese for the “Stockyard Star” quilt block, follow Diagram #1 on the right first (sewing the TWO (2) smaller Leather & Lace triangles to the same-sized Black triangles).

Then sew the Cream triangles to the Leather & Lace + Black triangles (Diagram #2).

Then follow Diagram #3 on the right (sewing the larger Black triangle to the newly created Leather & Lace/Black/Cream triangles).

 Quilt Note: Sometimes it’s best to press your Flying Geese seams open. Use your discretion to make the best decision for your quilt top.
