February 2026

### PRESIDENT'S MESSAGE

Jessica Dayon

Thank you to Cathleen and Quinn who organized our 2025 guild challenge! The event was quite the success and the guild really enjoyed seeing all the entries. Thank you, also, to all who took the time to make a creation and enter it into the challenge! Now that it is complete, it is time to start thinking about the 2026 challenge. If you have an idea for the 2026 challenge, I'll ask you to explain your idea at the February business meeting. Then, the guild will vote. The challenge idea with the most votes will be our 2026 challenge and the person (or group of people) whose idea it is will be the chair (co-chairs) of the challenge this year. If you have an idea but do not want to chair the challenge, please find someone in the guild who is willing to be the chair for you with your idea.

We had a little break from the President's monthly challenges, but I am going to be bringing them back. I think these challenges are very beneficial. The variety of topics that we cover encourages development and practice of a variety of skills. They also encourage you to get into your sewing room and spend time sewing. I hope you take the time to participate in them.

The Crazy Quilters Quilt Guild meets the first Tuesday of the month, 7 p.m. at Calvary Baptist Church-Allentown

## **President's Message – Continued**

I'm looking for a volunteer to start running a new round of Better Done Than Perfect. I think this is a great way to encourage each of us to work on finishing up projects that we previously started. If you are interested in volunteering to chair (or co-chair) this committee, please send me an email.

Also, in March, I will appoint a nominating committee to help fill the positions of the board for the upcoming 2026-2027 year. It would be fantastic if 2-3 members would volunteer for the nominating committee so that I don't randomly have to choose from the membership. If you are interested in being a part of the Nominating Committee, please let me know.

### **MONTHLY CHALLENGE**

The President's monthly challenge for the month of February is to make something using half square triangles (HST). The HST can be any size and the project can be any size and type as well- one block, a pincushion, a quilt of any size, a hot pad, etc...

### **QUILTERS' STUDIO**

The February Quilters' Studio will start at 5:30 on February 3<sup>rd</sup> (before our monthly meeting). Sandy O'Conner will be showing us her diagonal quilt backing hack.

### **February 3, 2026 – Cyndi McChesney- Panel Palooza Trunk Show**

In this informative and entertaining trunk show Cyndi will show us how to take a panel you fell in love with and turn it into something truly unique. We'll experience my good, bad and AH HA moments as Cyndi learned how to work with the different styles of panels and how adding interesting block treatments and borders and filling those pesky open spaces with patchwork or appliqué results in a truly special quilt.

**Cyndi will be joining us via ZOOM.**

**CANCELLED -- February 4, 2026 -- Workshop: Panel Palooza- 6 hour workshop via ZOOM with Cyndi McChesney**

### **March 3, 2026- Joyce Hughes- "My Journey into Quilting"**

This is a very open and inspiring talk about how I started quilting, leading into Art Quilts with Thread Painting. Finishing with ideas to use with Panels as Art Quilts. Many people leave very excited and enthused to try something new with their quilting. My main subject matter will be working with fabric panels. Showing many "Before and After's". Exploring how panels can be used on personal projects. Many panels are looked at and passed over. I often hear, "What do you do with this? It is so big, The colors are dull, etc., etc.". With added thread painting on the fabric, and possible additional embellishments, the project soon becomes a

piece of Art! Learn about the preparation of the panel for the project and explore the freedom of using thread painting. This shows how the layering of threads lets you achieve the different effects on the quilts. Then, add embellishments of ribbons, fabric markers, crystals, etc. The panel/project is now unique and One of a Kind!

### **April 7, 2026- Jamie Davis- Loopy Tulip Designs- "History and Mystery of Baltimore Album Quilts"**

The history of Baltimore Album quilts is a fascinating journey into an America headed for the Civil War. Discover how the industrial revolution, the struggle over slavery and the social and moral climate of the time contributed to this beautiful art form. Through stories, Jamie will explore how the demise of Baltimore Album quilts leads us into the hearts and minds of the women who made them, and find out how a pregnancy, a Christmas gift and a quilt class gone horribly wrong helps to explain the mystery behind why these quilts disappeared almost overnight. It's a funny, provocative and insightful look into some of America's most beautiful treasures.

### **May 5, 2026- Arlan & Pat Christ- "Pennsylvania Dutch Quilts.... Folklore & Superstitions"**

"Pennsylvania Dutch Quilts – Folklore & Superstitions" provides quilts that represent some of the most colorful Pennsylvania quilts made in the mid to late 1800's and early 1900's. Their unique designs and quilting patterns have created the "Dutch" folk art that is collected today. Discussion will include the connection of "quilts", "hex signs" and the world of "folklore and superstitions."

## WORKSHOP- May 6, 2026- Arlan & Pat Christ- "Armenian Love"

The "Armenian Love" design was inspired by a doll quilt in the Christ Collection dated circa 1840. This design is often referred to as a "Pomegranate" or "Love Apple." According to Armenian mythology the pomegranate symbolizes fertility, abundance, and good fortune. This workshop will teach you the "prepared edge" technique. You will learn how to create smooth curves...beautiful points and bias stems. The shell of the pomegranate with the large number of seeds can also symbolize the universe with its stars and planets. Applique can bring you endless rewards as you take one step at a time. The world of applique will take you on a trip that goes beyond infinity.

Cost and sign up details coming soon.

## Show and Tell

Suzanne Nelson

For February's meeting, we are inviting our members who will be participating in the meeting via Zoom to submit quilts for Show and Tell. If you were a member during the Covid years, you may recall that we did this when all our meetings were virtual. Important note: this is ONLY for members who are attending on Zoom. All members who are in person will be sharing their quilts up close and personal at the actual meeting.

So, if you are a Zoomer, in February and want to participate in Show and Tell, here's what you need to do.

1. Take a photo of your whole quilt. If there is interesting fabric or a detail on the back, consider flipping a corner of the quilt over to showcase that. Be sure your quilt is in focus. Extra "ahhhh" points given for any pets who sneak into the photo.
2. Send the photo Suzanne Nelson and Cathleen Kilpatrick by Friday, January 23.
3. Be sure to include your name, the name of the quilt, and the size.

Any questions, contact me. We look forward to seeing the creative work of our Zoom members.

**In case you are looking for something new. On-Demand Workshops are available from Global Quilt Connections. Click on the link below.**

## Quilts of the 1930s

If you are interested in historical quilts, I found this video interesting. It is a 41 minute video which has a quilt turning. If you don't have time to watch the whole thing, the kit quilts are at minute 12 and 31.

## Community Service

Dawn Dengler & Pat Piasecki

In January, we collected:

- **96 cancer comfort pillows** some of which will be distributed through the free wig shop at Cancer Support Community of the Greater Lehigh Valley, <https://www.facebook.com/cancersupportglv>, and some of which will be included in Bag of Hope totes distributed by The CHEMO Bag, <https://www.facebook.com/TheChemoBag/>, to area infusion centers.
- **16 pillowcases for hospitalized kids** that will be delivered to Wooden Bridge for distribution to local hospitals by the Lehigh/Berks Chapter of Ryan's Case for Smiles, <https://www.facebook.com/caseforsmileslehighvalley/>
- **2 stuffed cats for traumatized kids** (instead of teddy bears) to be distributed by EMTs, these are headed to Neffs Volunteer Fire Company, <https://www.facebook.com/NeffsVolunteerFireCompany/>
- **1 wheelchair lap quilt** made from some of Sally Waggoner's orphan blocks that her family donated to CQQG last year

**At February's meeting, by the sign-in table**, we'll have some pre-cut wheelchair lap-robe-sized kits in addition to pillowcase, cancer comfort pillow, preemie blanket, preemie prone bear and placemat **kits available for members who want supplies to take home**. The wheelchair kits include enough blocks to make a pieced top from precut squares of at least 2 coordinating fabrics and a large enough piece of flannel for the back. Wheelchair quilts are tapered at 2 corners and have no batting. Just sew the right sides of the top and bottom together with a generous (not scant) 1/4" seam, leaving about 10" open to turn. Then, turn, press, and quilt - making sure to close the opening. Done. Fairly easy!

If the weather cooperates, we also plan to have community service project kits and supplies available at the **February 21st Sit and Sew at Faith Presbyterian** where you can also drop-off completed project donations. Watch for the Sit and Sew email for any updates.

**Thank you again for your participation!!**
