## From the President Karen Hartzell

It sure was a rainy month of March. Several of us braved the elements and ventured to the Lancaster Quilt Show on a dreary Friday. Once inside, the show was anything but dreary. The array of quilts was amazing and my companions and I "oohed and aahed" as we admired each entry. The pièce de résistance was the winner's circle with our own Bethanne Nemesh taking another first prize for best movable machine workmanship for her "Into the Westward Sun." Congratulations on another big win for your outstanding artistry, Bethanne!

Sara Bond's "Release the Geese" program was interesting and informative. I loved the way she curled the geese around in circles and made them fly off the ends of her quilts. We learned about her family history and her inspiration for her own quilt-making. The workshop on the following Saturday allowed all of us to learn her paper-piecing technique. It was fun to see all the different uses of fabric as each of us interpreted her style in our own way.

Last month our membership rolls topped the 100 mark. We are still growing strong as crazy quilters. Keep passing the word about our excellent programs, informative workshops and the community of people who love everything quilts.

### A Quilter's Poem (from the internet)

A quilter treasures life's moments one stitch at a time.

She knows the joy of patiently creating a work of art that can only grow more precious with the gift of years.

She tells a beautiful story with patterns and colors, and the patchwork of her life is woven with threads of laughter and tears, memories and dreams.

A quilter understands the value of preserving the past and has a heart gentle enough to stitch the gift of love into our lives for the future.

A quilter knows the blessing of treasuring life's moments one stitch at a time.

The Crazy Quilters Quilt Guild meets the first Tuesday of every month except November at  
The Lutheran Church of the Holy Spirit  
3461 Cedar Crest Boulevard  
Emmaus, PA 18049  
7:00pm

## Community Service Kathie Laposata

We're almost to the end of our 2016-2017 year, and we end up the biggest projects that we plan for our group – Camp Erin quilts and veterans' quilts. The Camp Erin quilts (about 50 by 70 inches) go to kids ages 6-17 who have experienced the loss of someone significant in their lives. These kids enjoy traditional camp activities like arts & crafts, games & sports, and campfires. However, there are also therapists who help them develop healthy coping strategies. This year's camp will be held in Montgomery County in mid-June, so the quilts should be delivered at the May meeting. Call me if you have a quilt but can't make the meeting. Thanks for brightening the bunks of these campers. I'm sure that as they take the quilts home, they see a daily reminder of what the camp taught them.

Quilts for veterans will be collected at the June meeting. These quilts will be distributed to veterans using the services of the Veteran's Administration Clinic and Hospital here in eastern PA. I'm sure these veterans appreciate both the physical warmth of the quilt and the warmth of knowing that people in the community care for their comfort.

As it turns out, sometimes when we make projects to help others, we end up also helping ourselves. A member recently told me that her grandson had an overnight stay at Lehigh Valley Hospital. Sure enough, a colorful pillowcase was provided to brighten his stay.

Lecture - Tuesday, May 2, 2017, 7 pm at Holy Spirit Church

Quilt-A-Holic, **Erin Underwood** never plans to recover. Erin will show us a fun and inspiring collection of quilts including the good, the bad and the "if I only knew what I was doing" quilts.

WORKSHOP

Erin Underwood "Finished Edge Machine Appliqué"

May 3 from 9 am to 1 pm at **Faith Presbyterian Church** (seats are still available).

Love the look of hand appliqué but just don't have the time for handwork? Try this technique that makes your machine appliqué look as if it was done by hand and only takes a fraction of the time! Learn all about the tricks and tools you need for success. Your quilt will look like you sat for hours and needle-turned each piece by hand! And the bonus is your appliquéd piece will have the look of trapunto with Erin's clever use of stabilizers.

COMING LECTURE - Tuesday, June 6, 7:00 pm at Holy Spirit

## Cheryl Lynch: Turning Travel into Treasures

Traveling can lead to inspirations for lots of quilts. Learn to look through your camera lens, or smart phone, with a quilter's eye. Building details, like the wrought iron banisters in Barcelona or a scene from your summer vacation to the beach, can be transformed using fabric to create lasting memories. I'll share how I turn my inspirations into quilts by printing photos onto fabric, convert photos into a quilted scene, and use architectural motifs to create a contemporary quilt or combine them all into a fiber book.

WORKSHOP Cheryl Lynch - Mini Mosaics Wednesday, June 7, 9 to 3 pm at Holy Spirit

This is a fun, no sew workshop that imitates the ancient art of mosaics. Learn how to create a mosaic picture from small pre-cut pieces of lots of colored fabric, using a technique that I developed to simplify the process. Pick one of the available patterns in class that will finish to measure 9"x 12", and then can be bordered and quilted to your preference at home. Bring tweezers and a sharp small scissors to use with a provided kit (\$16).

### Allentown School District Liaison Project

Marsha Heimann

As you begin your travel plans for the upcoming summer travel and vacation season please remember to collect the unused toiletries from your hotel visits. Once again this holiday season bags of toiletries will be given to the Allentown School District Homeless Liaison Project. There are over 600 homeless children in the schools in Allentown this year and many are living in shelters or under bridges.

The school district provides one employee to help these children in any way they can and one of the small but so important requests they make is to provide toiletries, shampoo, soap, lotion, toothpaste/toothbrushes and deodorant etc. for the students. A Holiday Party is provided in December and a small bag filled with these items is placed at each table setting. It doesn't seem like much but sometimes it is the only gift a child might receive. Several organizations provide regular sized hygiene items and grocery store gift cards in the amount of \$10.00 each throughout the year but it is these small gift bags that will make a difference.

Please bring any toiletries you might collect either while on vacation or at the travel size department at your favorite store to the guild meetings between May and October. Whether it is one item or a bag full we are grateful to have something to place in these bags. Thank you for your support, and for making a difference.

## Yarn Needed

Ruth Skinner

If you have yarn you are not using I will take small balls of yarn to knit and tie shawls for Cedar Brook residents.
